Subject: RE: new draft 2-page summary for glyphosate

Sooner rather than later. Once we are satisfied with these, Kacee said she'd take a look and will see how Tom wants to send the package over. He may want to do it himself but they are waiting to see what we have before making the decision.

OPP asks pretty much every day, so hopefully we can agree amongst ourselves on the comments this week, or early Monday at the latest.

Thanks!

Jackie

See what you think if you have a chance. Not sure how fast Jackie needs to move on this!
